## Who we are since 2015

**Mission** We provide a welcoming home for refugee and asylum seeking families along with the education, social connections, and the support they need to flourish in our community.

**Vision.** All refugees and asylum-seekers, who arrive in Salem, will know they are deeply valued as they are welcomed with a safe home and caring support.

## In more detail ...

Check out [Ariana-house.org](http://Ariana-house.org) to read the inspiring story of one of our residents and to learn how to support our families

**We have expanded to a second home! This one will be rented out for one year to 2 families and two single gentlemen from Haiti.**

**In the past 4 months we have welcomed families and individuals from Angola, Kenya, Venezuela, and Haiti. And two of our families have struck out on their own. Plus one single Mom got her Work Authorization and all of our eligible Haitian residents got their Temporary Protected status!**

**Beginning early next year, under the auspices of Immigrant Connection and with an office at Salem Alliance Church, Jenny will begin to provide low-cost legal services to immigrants who live in the Salem area.**

## Prayer and support requests

- *For wisdom as we continue to support families and expand our services*
- *For donations to dig a deeper well and to sustain our ministry*
- *For employment and long-term housing for our residents*
